ORDER:-

In the Convergence held 20<sup>th</sup> June, 2013, it was proposed to include Electrical Inspectorate Drawings approval under the purview of Single Window System and not entertain any applications directly from the Industries after a stipulated date with the following modalities:

- i) The existing sanctioning authorities will continue to perform as the competent authorities for processing the Electrical Drawings received through Single window System.
- ii) Four sets of the drawings will be collected, drawn by the authorized firm/ agency as per BLA Standards at the time of submission of the proposals by the industry at Single Window Agency
- iii) The drawings approved by the Competent Authority will be communicated to the Single Window Agency for onwards communication to the industry
- iv) In case of rejection, the Competent Authority will indicate reasons for rejections and suggest modifications required in the drawings while returning the proposal to the Single Window Agency.
- v) The time limits for processing the clearance will be as per the citizen charter of the authority. The time will be counted from the date of receipt of the application by the authority.
- vi) Assistant Engineer (Technical) Office of the Chief Electrical Inspector to Government to be nominated as a member/ Special invitee for the State Level Single Window Committee for cases pertaining to their Department.
